Event location

Bayer HealthCare CoLaborator
Muellerstrasse 178
13353 Berlin
Germany

We invite approx. 8 startups both from Germany and Israel in the seed phase, who are working on projects in the life sciences field, to pitch to various investors as well as Bayer. The event is free of charge. Please submit your non-confidential proposals by email to berlin2015@htgf.de no later than September 10th, 2015. Kindly include a non-confidential executive summary of your project. The event language is English.
